PLAYSCHOOL CHILD CARE, INC. TERMINATION

Playschool Child Care, Inc. does not terminate care for any child. The only grounds for terminating child care would be when a lack of cooperation from parents, legal guardians or caregivers is experienced. Playschool will make every effort to meet the needs of our families and care for their children. We desire good communication and look forward to long term, positive relationships with all who attend Playschool. Please do not hesitate when needs arise to come in and talk. Your relationship and your child matter to us.
